WELCOME TO FEAMISH BUSINESS SOLUTIONS

Feamish Business Solutions is your trusted partner for business formation and expansion across the Middle East. With over 10 years of proven industry experience, we specialize in helping entrepreneurs and companies establish a strong and lasting presence in **Oman, Qatar, UAE, Saudi Arabia, Bahrain, and India.**

Our deep understanding of regional laws, licensing requirements, and corporate procedures enables us to deliver **seamless and efficient business setup solutions** tailored to your specific needs. From **company registration and documentation to licensing and compliance**, we simplify the complexities so you can focus on what truly matters— **growing your business.**

Whether you're a budding startup or an established enterprise, our dedicated team ensures your business is compliant, legally sound, and operational from day one.

We are more than just a service provider—we are your **growth partner.** Our approach is built on **trust, transparency,** and a deep-rooted understanding of local and regional markets. When you work with Feamish, you gain a team that is genuinely invested in your vision.

With our headquarters and main office based in Oman, and an additional branch also located within Oman, we are strategically positioned to serve you better, offering both **local insight and regional outreach.**

Choose Feamish Business Solutions and take the first step towards building a successful and compliant business in one of the world's most dynamic regions.

WHAT WE DO?

At **Feamish** Business Solutions, we specialize in providing comprehensive company incorporation services tailored to the unique needs of businesses.

Muhammed Shafi is the Managing Director of **Feamish Business Solutions**, a leading consulting firm headquartered in **Oman**. With over 10 years of experience, he has built strong connections with key officials across the Government Ministries of **Oman, Qatar, UAE, Bahrain, Saudi Arabia, and India**, along with prominent business communities in the region.

Under his strategic leadership, Feamish Business Solutions has achieved remarkable growth and success throughout the GCC. Building on this momentum, Muhammed Shafi has expanded the company with branches in **Oman, Qatar, UAE, Bahrain, Saudi Arabia, and India—including an additional branch in Oman**, further strengthening the firm's presence in its home country.

The company has steadily grown its client base and diversified its service offerings, positioning itself as a trusted name in business consulting. Muhammed Shafi brings extensive experience in **business strategy, market entry, financial modeling, and performance improvement**. His domain expertise spans various industries such as **healthcare, retail, logistics, and construction**.

He has been instrumental in guiding startup businesses across GCC countries to identify growth opportunities, optimize operations, and boost revenue. His exceptional marketing acumen has played a key role in building Feamish's brand presence in the region, while his operational excellence has led to streamlined processes and improved service efficiency. By implementing innovative tools and systems, he ensures the consistent delivery of high-quality services to clients.
